Nestled in Deep in the Pinery, this stunning 4-bedroom, 3-bathroom home offers incredible views of sunsets and has the perfect blend of comfort and style. Inside you're greeted with natural light enhanced by updated and upsized windows. Make your way into the stunning remodeled kitchen that was done with precision workmanship. Custom hand-made cabinets crafted from Ponderosa Pine Beetle Kill harvested in Westcliff, CO provide ample storage and bring the outdoors inside. Exotic Brazilian Granite counter tops complement the cabinets. A top of the line Thermador range is a showcase for the kitchen! Careful placement of a picture window allows for panoramic sunsets to be seen while cooking. Intentional thought was put into the open concept layout to allow for the sweet aroma's, and conversations of the kitchen to flow effortlessly throughout the home. The front living room has been used for casual living while the rear living room for formal entertaining. An oversized deck showcases expansive views of the front range. Filling out the main floor, a luxurious master suite with private balcony awaits. With a private fireplace, large closet and en-suite bathroom with soaking tub, your oasis awaits! Two additional guest bedrooms and a full hall bathroom offer plenty of space for family or guests. The finished basement is a true highlight, boasting a country wet bar and ample space for a home theater, game room, or additional living area. An
